### **Overtime/Tie Breaker**

- Games in **BRACKET PLAY (SINGLE-ELIMINATION)** that end in a tie will go to a tiebreaker. There will be a coin toss at the beginning of the tiebreaker with the higher seeded team calling the toss. The winner will choose to be on either offense or defense
- Each team will have 2 plays from the 10-yard line, choice of hash. If you score, you receive the standard 6 points
- There is **NO** running in overtime. All plays **MUST** be a pass
- If the offense scores, then they **MUST** choose to go for 1 point from the 5-yard line, or 2 points from the 10-yard line. If the coach doesn't respond to the official on which yard-line, the official will place the ball on the 5-yard line to go for 1 point. Once this decision is made, coaches cannot overturn this decision.
- The opposing team gets the same opportunity to win

- If neither team scores or it still ends as a tie, we will flip the coin again then back to the standard longest passing yard from the 40-yard line. There is no running allowed in the longest yard situations  
The team with the most yards will be declared the winner of the tiebreaker and will add 1 point to the final score
- If there is no completion, or the deepest completion is equal, the tiebreaker will be repeated with the team that lost the initial coin toss making the choice to either take offense or defense.
- This format will be repeated until a clear winner is declared
- This tiebreaker format will be used in **SINGLE-ELIMINATION GAMES ONLY.**
- **NO BLITZING ALLOWED.**
- If there is an invariant whistle on a play the offense will decide if the entire play will be over or the runner will be down where the invariant whistle was blown.

**BRACKET SEEDING WILL BE DETERMINED BY:**

- Wins/losses, points scored, and point differential. If after these determinations there is still a tie, the system will automatically do a coin flip to determine team seeding
